2/3 horse slant load  
14'L x 6'11"W x 7'3"H

## *Available In 2/3 And 3/4 Horse Models*

**A** versatile standardbred race horse trailer for those who desire a shorter length trailer to transport 2/3 or 3/4 horses. The swinging front wall provides the flexibility to create a compartment for a third or fourth horse or to transport inside the trailer a race bike or jog cart. It also can be converted to (2) box stalls by removing one divider and moving the full height divider to the center. As standard equipment this unit features a rear folding race bike rack.

3/4 horse slant load  
18'L x 6'11"W x 7'3"H  
shown with optional split-side  
door and roof race bike  
rack and ladder

**Models shown may feature options not included as standard.**
